2018 - 2019 Development Initiatives

This year, VCPI worked on developing and designing forward-thinking programs and services for public safety nationwide.

Measuring What Matters: Building Trust and Legitimacy

VCPI began development of this online resource for law enforcement agencies nationwide focusing on the reduction of violent crime, organizational culture, officer safety and wellness, and measuring and sustaining success.

VSI Certification Program

VCPI continues to administer this certification program in partnership with the Virginia Sheriffs' Institute.

BJA National Training and Technical Assistance (BJA NTTAC)

Through this program, VCPI provides crime prevention training to agencies requesting services. Additionally, VCPI is also now an NTTAC Provider for BJA's new Prosecution Assessment TTA Program.

Pathways to Resiliency: Preventing Violent Radicalization Through Community Policing

VCPI is in the process of developing this online, national demonstration initiative depicting the efforts of law enforcement agencies in building resiliency to prevent radicalization to violence.

New Curriculum for the National Association of School Resource Officers

VCPI began development of an introductory-level School Resource Officer eLearning course.

National Critical Response & Recovery TTA Provider

As a Training and Technical Assistance Provider, VCPI enhances the capacity of law enforcement agencies in their response to critical incidents and emerging issues.

VCPI eLearn Center

VCPI expanded its support of the public safety community through the enhancement of the VCPI Training Portal and VCPI eLearn Center, and through the development of exceptional online training and resources.

COPS Office Training Portal

VCPI continues to maintain, enhance, and promote this eLearning portal housing COPS Office-funded public safety courses and resources. Additionally, VCPI continues to develop new content for the Portal through its *Online Training Development Program*.

Virginia VINE Services

VCPI continues to administer, manage, and promote this statewide automated victim notification system that provides victims with information and resources vital to their safety.

Contemporary Community Policing: a National Law Enforcement Training Initiative (CCP)

VCPI launched this initiative supporting the advancement of community policing nationwide through an instructor development program.

Strategic, Tactical, Resilient Interdiction of Violent Extremism (STRIVE)

VCPI launched a national training program enhancing the capacity of communities to counter violent extremism through the implementation of community policing principles and practices.

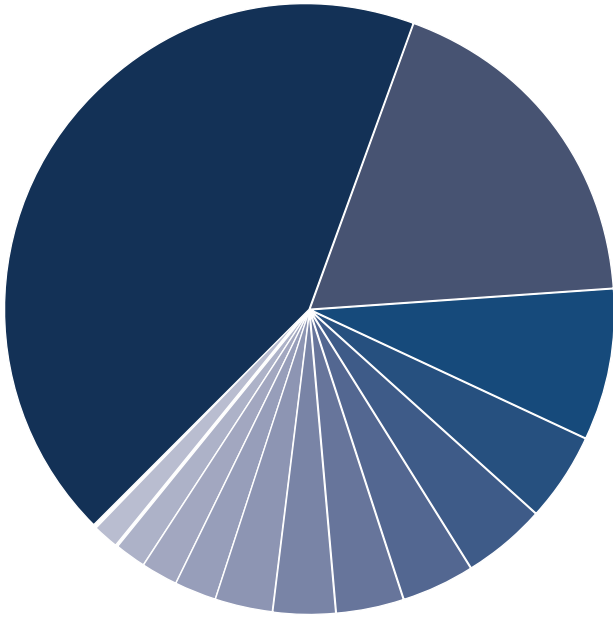

Contemporary Approach to Reimagining Effective Broken Windows Theory (CARE BWT)

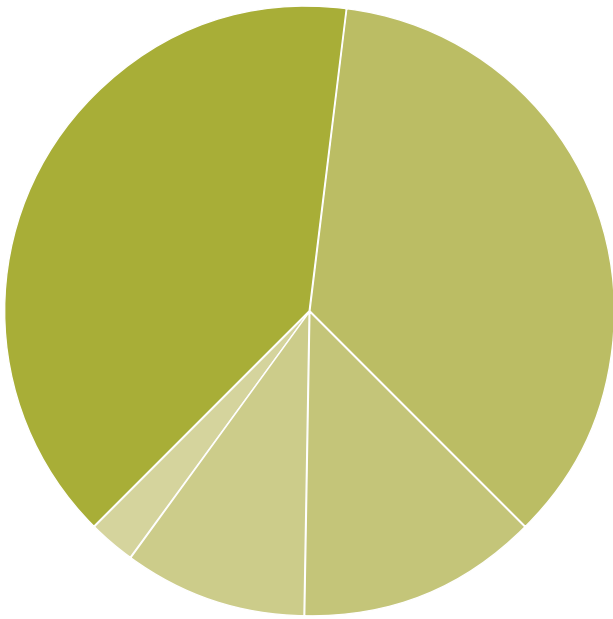

VCPI developed a national advisory board and began creating an interactive learning program focused on applying broken windows theory, as it was originally intended, to a broad array of modern public safety issues.
